

Summertime

Kendra Morris

On my mind, summertime, lazy like the wind
Make my day, take my time up, where do we begin
Easy and slow, so you know that everything's a win
Night are cool when I'm with you, I hope it never ends

Everything is easy again

Let's get away
Summertime, summertime
Summertime sunshine
Rainy days, come again another day
Summertime sunshine
Let's get away
Summertime, summertime
Summertime sunshine
Rainy days, come again another day
Summertime sunshine

City street, feel the heat, it feels a lot like love
Could it be the light that blink, saying yes to go
And take a chance on anything that makes you who you are
When the moments come along take them when you can

I'm here to stay
You'll be right back

Let's get away
Summertime, summertime
Summertime sunshine
Rainy days, come again another day
Summertime sunshine
Let's get away
Summertime, summertime
Summertime sunshine
Rainy days, come again another day
Summertime sunshine

Blue skies
Waving on me
Fever
That I like
We want
(Let's get away)
The [?]
(Let's get away, get away)
In this breezy
(Let's get away)
Kind of life
(Let's get away, get away)
(Get away, get away)

Blue skies (Summertime, summertime sunshine)
(Let's get away)
Waving on me
(Let's get away, get away)
Fever (Summertime, summertime sunshine)
That I like

(Let's get away, get away)
(Get away, get away)
We want (Summertime, summertime sunshine)
(Let's get away)
The [?]
(Let's get away, get away)
In the breezy (Summertime, summertime sunshine)
Kind of life (Summertime)

Let's get away
Summertime, summertime
Summertime sunshine
Rainy days, come again another day
Summertime sunshine
Let's get away
Summertime, summertime
Summertime sunshine
Rainy days, come again another day
Summertime sunshine

Summertime
(Will we get away)
