

# hey now

Kendrick Lamar

Damn, baby  
I like it  
Damn  
Hmm

Hey now, say now, I'm all about my Yen  
Big face Buddha, get my peace from within  
Send the kites to all my dirties in the pen  
Let the honorary walk for the win, for the win  
You crash out, then you better break the backboard  
I got friends, hopin' that they make the tabloids  
You know the last one figured he was Magneto  
You play God, you gon' get what you ask for  
We got the same twenty-four, what you mad for?  
I put a square on his back like I'm Jack Dorsey  
It's high beams if I make a public appearance  
Go back to hidin' 'cause I'm not too friendly with niggas  
One one thousand, two one thousand, four  
The Black know I just strangled me a goat  
I walked in with a therapeutic flow  
Put a few hundred up, let 'em go, let 'em go

Hey now, say now  
Hey now, say now  
Hey now, say now  
Hmm, hey now, say now  
Hey now, say now, I'm all about my Yen  
Big face Buddha, get my peace from within  
Send the kites to all my dirties in the pen  
Let the honorary walk for the win, for the win  
Hey now, say now  
Hey now, say now  
Hey now, say now  
Hey now, say now

Hey now, say now, I done slid on they backstreet  
Heavy on the Parmesan, every day tax season  
What the fuck you wearin'? Bro, it's tacky  
Niggas layin' on they death bed tryna match me  
Oh my God, I'm 'bout to do the fool  
They be screamin' out P, but they resume is boof  
Switch both lanes, the engine sound like the zoo  
Need a fee just to breathe, bitch, I can't talk to you  
It's the Ben Frank murderer  
Mister, I ain't heard of ya  
Gulf streams, back to back, flyin' through the turbulence  
Who is he? Free lunch, hmm, Kraft Services  
Throw your ass out this rental if I smell nervousness  
Hey now, say now, let me pop my shit  
Water down my wrist, I'm around my bitch  
It's a green light, don't get out of bounds, I'ma blitz  
It's a bird, it's a plane, no, it's all blue strips  
Nigga, what?

Hey now, say now  
Hey now, say now  
Hey now, say now

Hmm, hey now, say now  
I'm way too important  
I'm way too important  
I'm way too important to ever let you slide on me again

Startin' to see spaceships on Rosecrans (Startin' to see spaceships on Rosecrans)

I seen the aliens hold hands (I seen the aliens hold hands)  
They wanna see me do my dance (They wanna see me do my dance)  
I let 'em watch me do my dance

Who the fuck I feel like? I feel like Joker  
Harley Quinn, I'm in the cut with a blower  
Ayy, shit get spooky, every day in October  
My torpedo even jumped out on smokers, J-Cat  
Ayy, we mean muggin' niggas, Dody too important  
If they talkin' 'bout playin' ball, me and my team gon' get to scorin'  
If they talkin' 'bout playin' ball, they can take it up with Jordan  
It's bald heads and the heckling for all endorsements  
Eenie, meenie, miny, moe, I'm tryna tag a nigga toe  
I'm aggressive on the beat and real life, niggas know  
Ayy, I tatted up my body, it depend, level four  
Ayy, I sharpened up a knife and came home to a blow  
My bitch gon' get to tweakin' like she playin' with her nose  
Lil' brodie 'bout to crash, man, y'all niggas be on go  
I'm a different type of trophy, baby girl, I'm rose gold  
Me and Dot get to slidin', put 'em in a choke hold  
Bitches actin' like some niggas, niggas actin' like some hoes  
Ayy, I jumped out that pan, then I jumped up in a Ghost  
I'm the hush type of nigga, see my face, then he froze  
All that shit he was talkin', found out he not that bold  
Okay, this shit like forty, that's a dub, okay, let's add it up  
Baby ass fat, can you do it? Can you back it up?  
Kickflip a nigga, I got Tech Decks  
And it ain't shit for me to call and get your chin checked  
Tell 'em, "Dody did that"
