Nigga tell the world I'm Compton, Compton
Nigga I'm Compton
Big ass condom, mothafuck ya problems
Make sure that you don't bring ya man to my concert
I want you to suck my whole band after concert
Compton, Compton

Big ass condom, mothafuck ya problems
I'm killin' every instrumental and I cosign em
And no 360 deals, see that's advance at McDonald's
I spazz like a wino
Time and time again I often wonder where the time go, my daddy and my mom know
I stomp a rapper like a Kappa or beat him like a congo
Then speed off in a Bronco, OJ
Often reminisce about the old days, Hardaway/Alonzo
Back then we was wearing LA gears with the rhinestones
Nowadays I'm coming headfirst like a rhino
I rhyme like I invented it my wordplay is unlimited
Now nigga spin my vinyl, club going apeshit
Rap like I ain't ate shit, shit on any A-list
Artist you a novice I'm recording on a spaceship
And we never nodded to your sing-le, King K
D.O.T. is E.T.A. Primetime, new clothes
Closeminded niggas getting clotheslined, I suppose
Bitch I think I'm 2pac

And OMG I might OD, yeah that be my new tape

I'm in the lead and winning it, feeling like a stunt double
Walk up first we already in hell, pass the blunt devil

Everyone including Satan, Lord knows heaven waiting
