

# These Walls

Kendrick Lamar

I remember you was conflicted, misusing your influence  
Sometimes, I did the same

If these walls could talk (6x)

Sex, she just want to close her eyes and sway  
If you, if you, if you exercise your right to work it out  
Its true, its true, its true, shout out to the birthday girls say hey  
Say hey, everyone deserves a night to play  
And shes plays only when you tell her no

If these walls could talk  
I can feel your reign when it cries gold lives inside of you  
If these walls could talk  
I love it when I'm in it, I love it when I'm in it

If these walls could talk they'd tell me to swim good  
No boat I float better than he would  
No life jacket I'm not the guard in Nazareth  
But your flood can be misunderstood  
Wall telling me they full of pain, resentment  
Need someone to live in them just to relieve tension  
Me? I'm just a tenant  
My lord said these walls vacant more than a minute  
These walls are vulnerable, exclamation  
Interior pink, color coordinated  
I interrogated every nook and cranny  
I mean its still amazing before they couldn't stand me  
These walls want to cry tears  
These walls happier when I'm here  
These walls never could hold up  
Everytime I come around demolition might crush

If these walls could talk they'd tell me to go deep  
Yelling at me continuously I can see  
Your defense mechanism is my decision  
Knock these walls down that's my religion  
Walls feeling like they ready to close in  
I suffocate then catch my second wind  
I resonate in these walls  
I don't know how long I can wait in these walls  
I've been on these streets too long looking at you from the outside in  
They sing the same old song about how they walls are always the cleanest  
I beg to differ, I must've missed them  
I'm not involved I'd rather diss them  
I'd rather call all you put your wall up  
Cause when I come around demolition gon' crush

If your walls could talk they'd tell you it's too late  
Your destiny accepted your fate  
Burn accessories and stash them where they are  
Take the recipe, the bible and god  
Wall telling you that commissary is low  
Race wars happening no calling CO  
No calling your mother to save you  
Homies say to you, you're reputable, not acceptable  
Your behavior is Sammy Da Bull like a killer that turned snitch

Walls is telling me you a bitch  
You pray for appeals hoping the warden could afford them  
That sentence so important  
Walls telling you to listen to "Sing About Me"  
Retaliation is strong you even dream about me  
Killed my homeboy and God spared your life  
Dumb criminal got indicted the same night  
So when you play this song rewind the first verse  
About me abusing my power so you can hurt  
About me and her in the shower whenever she horny  
About me and her in the after hours of the morning  
About her baby daddy currently serving life  
And how she think about you until we meet up at night  
About the only girl that cared about you when you asked her  
And how she fucking on a famous rapper  
Walls could talk

I remember you was conflicted  
Misusing your influence  
Sometimes I did the same  
Abusing my power full of resentment  
Resentment that turned into a deep depression  
Found myself screaming in a hotel room
