

Amy

Kenna

I don't know why I let go
I want to be your friend
Flowers grow through my window
And I love you again

Oh, I love you, oh
When you laid me down
Into your beautiful garden
Flowers in the love of my arms
It's God shining through to me I guess
It's God shining through to me I guess

Oh, I love you Amy
Do you still love me?

I go to the places where we used to
I feel sad
I am out here looking for you
Sometime I pretend

Oh, I miss you, oh
When you laid me down
Into your beautiful garden
Flowers and the love in my arms
Is God playing evil tricks on me?
Is God playing evil tricks on me?

Oh, I love you Amy
Do you still love me?

Oh, I love you, oh
When you laid me down
Into your beautiful garden
Flowers in the love of my arms
Is God playing evil tricks on me?
Is God playing evil tricks on me?

Oh, I love you Amy
Do you still love me?

Do you still love me?
Do you still love me?
Do you still love me?
Oh, do you still love me?

Do you still love me?
Do you still love me?
Love me, love me, love me
