

# Back Where I Come From

Kenny Chesney

Well, in the town where I was raised  
The clock ticks and the cattle graze  
Time passed with amazing grace  
Back where I come from.

You could lie on a riverbank  
Or paint your name on a water tank  
Or miscount all the beers you drank  
Back where I come from.

Back where I come from  
Where I'll be when it's said and done  
Well, I'm proud as anyone  
That's where I come from.

We learned in a Sunday school  
Who made the sun shine through  
I know who made the moon shine too  
Back where I come from.

Blue eyes on a Saturday night  
Tan legs in the broad daylight  
TV's they were black and white  
Back where I come from.

Back where I come from  
Where I'll be when it's said and done  
Well, I'm proud as anyone  
That's where I come from.

Some say it's a backward place  
Narrow minds on the narrow way  
But I make it a point to say  
That's where I come from.

That's where I come from  
Where I'll be when it's said and done  
Well, I'm proud as anyone  
That's where I come from.

Back where I come from  
I'm an old Tennessean  
I'm proud as anyone  
That's where I come from.

Back where I come from.  
Back where I come from.  
Back where I come from...
