It's the third thatched roof on the right Right beside crystal blue water First wave of the day Almost got away but my sail board caught her.

Funny, when you called I was thinking how good it'd be to see y ou again.

The key's in the conch shell, come on in.

Been here bout a month
Not doing much of nothin at all

Dogding man o wars
Man it's hard to get bored when you're having a ball

Make yourself at home, there's a good chance I'll be gone reeli ng on in

Girl, the key's in the conch shell, come on in.

Don't bring nothing but that sunshine smile Come on baby stay a while, stay a while.

My favorite bar's in view
Work there a day or two just to cover my tab
Other than that, it ain't cost me a dime for the time I've had
The only thing I need is some company from where have you been?

Girl, the key's in the conch shell, come on in.
