

By The Time This Night Is Over

Kenny G

Silence takes over
Saying all we need to say
There's endless possibilities
In the moves we can make
Your kiss is giving every indication
If this heart of mine is right

By the times this night is over
The stars are gonna shine
On two lovers in love
And when the morning comes
It's gonna find us together
In a love that's just begun

By the time this night is over
Two hearts are gonna fly
To the heavens above
And we'll get closer
And closer and closer
By the time this night is over

Let's take a slow and easy ride
Just lay back and let love take us over
There's magic here with you and I
And it's gonna take us all the way
Let's find some kind of deeper conversation
And darling if it's right

By the time this night is over
The stars are gonna shine
On two lovers in love
And when the morning comes
It's gonna find us together
In a love that's just begun

By the time this night is over
Two hearts are gonna fly
To the heavens above
And we'll get closer
And closer and closer
By the time this night is over

A night like this may never come again
And you won't want this lie to end
Oh baby, we can have it all
By the time this night is over

By the time this night is over
The stars are gonna shine
On two lovers in love
And when the morning comes
It's gonna find us together
In a love that's just begun

By the time this night is over
Two hearts are gonna fly
To the heavens above

And we'll get closer
And closer and closer
By the time this night is over, over

Gonna wrap my lovin' arms around you
By the time this night is over
Heaven's gonna smile
Gonna smile on two lovers
By the time this night is over
By the time this night is over
