

Love On The Rise

Kenny G

(I want you, you got my love on the rise)

Passing strangers in the night, feeling's coming, coming alive
Smoky corners in these places, it's like mysterious surprise (see)
What do we do now?

(Love is here for the taking) See the wanting in your eyes

(Closer, let me touch you) Ooh, my love's on the rise

I was alone with you and my love's on the

You got my love on the rise (love on the rise)

(I want you) You got my love on the rise

(I need you) Make my love come alive

My baby, come alive

More than to explore the night, knowing not what I find

We're now wanting our invitation, I did not mean a lie

(What could I do now?)

They were belated, like a diamond that shines so bright

(Price is extraordinary) Trapping me at the sight

I was alone with you in my mind, you got my love on the (Love on the
rise) My love on the

(I want you) You got my love on the rise

(I need you)

You make my love come alive, we say we come alive

(Ooh ooh ooh, I want you, you make my love come alive)

You make my, you make my

You make my love come alive-live-live-live-live

Live-live-live-live-live, live-live-live-live-live, live-live-live-
live-live

(I want you)

You got my love on the rise, you got my love on the rise now

(I need you, you make my love come alive)

Baby, don't you know that-a my love on the rise

(You make my love come alive) Ooh, you say we're set

(Love is here for the taking) te-ka-ooh!

I was alone with you and my love's on the

(Love's on the, You got my love on the, Love on the

My love on the

(I want you, ooh ooh)

You got my love on the rise, you got my love on the rise, now baby

(Need you, ooh ooh, you make my love come alive)

You make my, you make my, you make my love come alive

(I want you)

Don't you know you make my, make my love come alive

(You got my love on the rise)
