

## For You

Kenny Lattimore

For you I'd give a lifetime of stability  
Anything you want of me  
Nothing is impossible  
For you there are no words or ways to show my love  
Or all the thoughts I'm thinking of  
Cause this life is no good alone  
Since we've become one  
I've made a change  
Everything I do now makes sense  
All roads end  
All I do is for you

For you I share the cup of love that overflows  
And anyone who knows us knows  
I would change all faults I have  
For you there is no low or high or in between  
Of my heart that you haven't seen  
Cause I share all I have and am  
Nothing I've said's hard to understand  
All I feel I feel deeper still  
And always will  
All this love is for you

Every note that I play  
Every word I might say  
Every melody I feel  
Are only for you and your appeal  
Every page that I write  
Every day of my life  
Would not be filled without the things  
That my love for you now brings

For you I make the promise of fidelity  
Now and for eternity  
No one could replace this vow  
For you I'd take your hand and heart  
And everything  
And add to them a wedding ring  
Cause this life is no good alone  
Since we've become one you're all I've known  
And if this feeling should leave I'd die  
And here's why  
All I am is for you

Everything I do now makes sense  
All roads end  
All I do  
Is for you  
Only for you
