You've Got a Friend in Me

Kenny Loggins

You've got a friend in me You've got a friend in me

When the road looks rough ahead And you're miles and miles from your nice warm bed You just remember what your old pal said

Boy, you've got a friend in me Yeah, you've got a friend in me

You've got a friend in me You've got a friend in me

You've got troubles and I've got 'em too There isn't anything I wouldn't do for you We stick together and see it through

'Cause you've got a friend in me You've got a friend in me

Some other folks might be
A little bit smarter than I am
Bigger and stronger too, maybe
But none of them will ever love you
The way I do it's me and you

Boy, and as the years go by Our friendship will never die You're gonna see it's our destiny

You've got a friend in me You've got a friend in me You've got a friend in me
