

100 Or Nun

Kenny Mason

Hey, Hey, Hey, Hey, Hey, Hey
You don't need nun
Hey, Hey, Hey, Hey, Hey, Hey

I'm back in the 6 on 9 shit
Ride with that pistol on my hip
Starting to notice your vibe switched
Starting to notice yo side switched
Soon as my bank account size did
My name ringing bells and you chimed in
I'm straight outta hell with that fye
She straight outta heaven divine
I just fell in love with a bi chick
In love with the fact that she like chicks
In love with that ass n them thigh hips, eye lips
And way that her mind built
I might but the building fa just us
Just to show you how different that I'm built
Cause back when a nigga was fucked up
U was by me when I couldn't buy shit

I might ride with my brudda to buy zips
I might ride with my brudda to fye shit
I might ride with that cutter to slice shit
Whole time u the one on my mind
On a side where they makin dem pies flip
On a side every age above 9 kill
On a side where I gotta keep my eyes peeled
U the number 1 prize in my eyes

Hell yea
It's 100 or nun
Give a fuck what a fuck nigga say
She the one that I want
I got 99 problems but
It's 100 or nun
Give a fuck what a fuck nigga say
She the one that I want

Hey, Hey, Hey, Hey, Hey, Hey
You don't need nun
Hey, Hey, Hey, Hey, Hey, Hey

I think this that one in my dreams
Po act on the scene and my jewelry go skits
If you think I'm conceited you shouldn't meet my bitch
I enter wit two cus I don't like to pick
Ion care what you say they both my bitches
I might tell a joke but I can't tell a lie
My bitch to conceited she only know buy
It's cold on the street my dog sleep with that fye
If yo eyes don't sit wide then It's slim in this side
I'm plug motivation this street 101
I talk to myself yall ain't talking bout nun
I didn't get her number I know she da one
I ain't the jealous type I let my bitch fuck my other bitch
I hug the money she cuddle my wrist

Barehanded been beating the block I got cuts on my fists
We shoot wit precision she miss me but no I can't miss

Hell yea
It's 100 or nun
Give a fuck what a fuck nigga say
She the one that I want
I got 99 problems but
It's 100 or nun
Give a fuck what a fuck nigga say
She the one that I want

Hey, Hey, Hey, Hey, Hey, Hey
You don't need nun
Hey, Hey, Hey, Hey, Hey, Hey
