Believe it or not, we see all the shots, we know you're like Shaq at the thr  
ee  
My nigga with mops'll clean up your block like spectacular D  
Get the sack and then leave  
Stacking up racks with my team  
Ride with a tactical strap in my jeans  
I'm a Dracula with platinum teeth  
I'm from the danger zone  
Most of these niggas can't claim a zone (Ayy)  
I put some bangers on  
I always saw 'em as angels though (Three)  
Niggas'll play a role and feel a way when you don't play along  
I know that leaving a lame a loan is dangerous, gotta leave lames alone  
Nigga, what's goin'? I just got a show in, a shoe-  
in for blowin', I'm blowing a bag  
I've been recordin' shit later than Conan, they know where I'm goin', they k  
now that it's fast  
Follow my heart, I'm regarded to all as the hardest new artist, I started th  
e path  
I let a model ho squat at the pad  
Fuck with the squad and you won't get a pass (Bah)

Might send a blitz to tackle somebody  
I got expensive zap on my body  
I don't do shit but handle money  
I don't want shit but bags of money, yeah (Shh)  
I don't want shit but bags of money, yeah (Shh)

I don't want shit but bags of money

I don't want shit but the cream of the crop  
Picture lil' me in a seat at the top  
But leave it uncropped  
Show 'em the mud, the seed of the crops precedin' the guap  
Made a receipt off deceiving the cops  
Barrel breathin' from the heat of the Glock  
Heat up the night with needles and rocks  
Minecraft, niggas beating the block  
Mind lag, put the bean with the Wock'  
I ain't have to put a key in the car (Ayy)  
Seein' a loss and seein' the cost to bein' the boss is a bee and a wasp  
Now it's just your bitch and me in the loft  
No Doug E. Fresh but I'm (Puh-choo-choo-choo, puh-choo-choo-choo)  
No Doug E. Fresh but I'm beating the box  
Push up two fingers and finger the walls

I'm just Bruce Lee with some locs (I told that pussy, "Be like water")  
I crouch in that tiger, I hit with my dragon  
I'm counting up nothin' but blue faces like Drakken  
I'm feeding a eater, she's sniffing and gagging  
I clean the two-seater right after the action  
I know what to do and I do what I know, and I know what to do if these niggas want action, I-

Might send a blitz to tackle somebody  
I got expensive zap on my body  
I don't do shit but handle money  
I don't want shit but bags of money, yeah (Shh)
