

# MINUTE FOREVER

Kenny Mason

Fa I jump in dat fye  
Imma take my fye

Imma slit wrist fa I cross my 9

How you wanna see paradise  
But you don't wanna die?  
Come have a wonderful time  
Come have a wonderful time

If tell u why  
I ain tellin no lies  
I can tell u fye  
So I tell u

How you wanna see paradise  
But you don't wanna die?  
Come have a wonderful time  
Come have a wonderful time

I'm in it forever  
I'm in it forever  
I'm in it forever  
I'm in it for- in it for

A minute forever  
A minute forever  
A minute forever  
A minute for- a minute for

We used to rage on da ave  
No we wun raised to be average

I found a way on da map  
All with out takin a map to get  
Da place where I'm at

I'm back in da bank with da bag  
Trip after trip I ain takin no tab  
Drink after drink n I'm payin da tab  
No dis ain't drip bitch I came w some zapp

I rip da moon apart, my ruger shootin at shootin stars  
I gotta stick n it shoot up da chart, I gotta stick rules I was taught

I'm on mission I move w da squad  
I can't play with em I move with da spark  
Learn something new it's improving my thought  
Get what I want when in tune w my thoughts

20 on 6  
Twin on my 6  
Holding my clip  
Most of my clique  
Stay in a projects  
Morty and rick  
Shaving dem dimes and

Shorting dem nicks  
Rip nip  
Rip bank I ran marathon straight to da bank  
I got sum bruddas dat selling dat water  
I pray to God everyday he don't tank

Fa I jump in dat fye  
Imma take my fye

Imma slit wrist fa I cross my 9

How you wanna see paradise  
But you don't wanna die?  
Come have a wonderful time  
Come have a wonderful time

If tell u why  
I ain tellin no lies  
I can tell u fye  
So I tell u

How you wanna see paradise  
But you don't wanna die?  
Come have a wonderful time  
Come have a wonderful time

I'm in it forever  
I'm in it forever  
I'm in it forever  
I'm in it for- in it for

A minute forever  
A minute forever  
A minute forever  
A minute for- a minute for

I go on and on  
Do it for da streets dat we bonded on  
Won't accept defeat, I'm my mamas son

How you wanna see paradise but you don't wanna die?

Come have a wonderful time  
Come have a wonderful time
