

NOSEDIVE

Kenny Mason

Gang nem
Brought da perkys party
Slang dem
My mama told me watch da niggas dat you hang with
I came chill but me and shawty took da same pill
And now I can't chill

Bring my stick back
To da kick back
I can't kick back til it's near
My gang sit back in da field
Bet da pass get interfered
It's as bad as it appears
I see madness in da mirror
Smoke dis shit and shoot to Saturn
We gone slide like chutes and ladders

Gang nem
Brought da perkys to da party just to
Slang dem
My mama told me watch dem niggas dat you hang with
I came chill but me and shawty took da same pill
And now I can't chill

I might have started sum shit
Starter kit fa cracking cards
I was in mall with dis shit, mauling shit
Marching thru marta with bomb in my fit
My dawg was, searching yo spot like it was bomb in dat bitch, run in dis bit
ch we can't caught up.

Riding on a silver lining I could coast fa days
I know it's high and lows, but I control da highs to hold da weight,
(So I can wait)

Nose dive
Nose dive
Nose dive
Plank!

Nose dive
Nose dive
Nose slide

I don't fuck with these niggas
Or fuck with dese bitches
I don't need no one opinion,
Luck or permission
Nigga I been on go
From da jump like an engine
Don't give up, don't get jumped tryna get it

I'm in da middle of making a milli I call u right back
Caught in a convo of conjuring cash, coughing up gas
Reality getting harder to grasp, sit in circle I'm
Summing racks, somebody son gone get shot in da back, tryna be bad, u tryna
be passed

Ride with da clique n u might get a bag
Dive in da pitt and u might hear a splash

Riding on a silver lining I could coast fa days
I know it's high and lows, but I control da highs to hold da weight,
(So I can wait)

Nose dive
Nose dive
Nose dive
Plank!

Nose dive
Nose dive
Nose slide

Ima give em hell
Oh my God I'm so D4L
(Yup)
Mona Lisa bout to pop this pill
My chain swanging nah is ya'll for real
I got a grin so big
Cause I got the bail

Heavy
Walkin round steady
Tell me that you love me
Ima turn in to confetti

I I I I'm ready
God take the wheel
90rmp and my wheels over hill
Nosedive

Riding on a silver lining I could coast fa days
I know it's high and lows, but I control da highs to hold da weight,
(So I can wait)
