In the middle of the night I can see  
Silver lights in the streets  
You the finest tonight I done seen  
The sight [?] see  
Ride with me  
I won't fuck with nobody but you  
Don't fuck with nobody but me  
We can't make pulp fiction  
I got vitamin c  
If I [?]

(Yeah) energy too strong  
Throwing two birds and a pick  
I'm too stoned  
New chain  
New stone  
New homes  
Even though I came from the group home  
I know not to group you  
With the groupies  
Y'all came in a group though  
Red coupe with the roof gone  
Red roof with a few holes  
Do not sound it good at taking you home

I got off turning you on  
Last week I did the blue notes  
This week I'm making blue notes

Pulling guns got us pulling out punches  
No I won't make no assumptions

We can be just like Adam and Eve  
Reaching for apples and trees  
When I seen you at night at the scene  
I must admit I was intrigued  
Ride with me

Okay I heard you a wild girl  
Outlaw, real cowgirl

We can break every law they make  
We can turn it into our world  
Pulling up with a stick in a stick shift  
I'm trynna scoop a young miss for some mischief  
The way you move put some mist on the windshield  
I can crack a window you can feel the wind chill  
We can get graphic right here in traffic  
Right here on Camelot [?]  
Wanna see you candid  
Get it on camera  
Fuck high fashion  
Show me how fast you can get it unfasten  
I'm not straight shawty id let you strip right here  
On the strip turn the whip into magic  
Nah I ain't pretentious  
I on look down  
Own a few red flags  
I can look past it  
I forgot the difference 'tween lust n love  
So [?] above holding grudges  
Probably should hold a glove touching ovens  
Probably should know my limit 'fore I hit it  
Feel like its gone be difficult to quit it  
Feel like I did a ritual up in it  
Feel like I'm giving scripture when I'm painting pictures of the things

In the night I can see  
Silver lights in the streets  
You the finest tonight I done seen  
The sight [?] see  
Ride with me  
I won't fuck with nobody but you
