

# After All (I Live My Life)

Kenny Rogers

Well, here we are again  
I guess it must be fate  
We've tried it on our own  
But deep inside we've known  
We'd be back to set things straight  
I still remember when your kiss was so brand new  
Every memory repeats  
Every step I take retreats  
Every journey always brings me back to you

After all the stops and starts  
We keep comin' back to these two hearts  
Two angels who've been rescued from the fall  
After all that we've been through  
It all comes down to me and you  
I guess it's meant to be, forever you and me, after all

When love is truly right  
(This time it's truly right)  
It lives from year to year  
It changes as it goes  
Oh, and on the way it grows  
But it never disappears

After all the stops and starts  
We keep comin' back to these two hearts  
Two angels who've been rescued from the fall  
After all that we've been through  
It all comes down to me and you  
I guess it's meant to be, forever you and me, after all

Always just beyond my touch  
You know I needed you so much  
After all, what else is livin' for?

After all the stops and starts  
We keep comin' back to these two hearts  
Two angels who've been rescued from the fall  
After all that we've been through  
It all comes down to me and you  
I guess it's meant to be, forever you and me, after all
