Every Time Two Fools Collide

Kenny Rogers

You want things your way
And I want these mine
And now we don't know
Just where you draw the line
How can love survive
If we keep cheers and sights
And who picks up the pieces
Every time two fools collide

You lay the blame on me
And I put the blame on you
But why do we keep finding faults
In everything you do
And how long can we keep right in wrongs
So cut and cry
And who picks up the pieces
Every time two fools collide

We can save our love
We still have the time
Oh, I know there must be a way
But we still haven't tried
To keep our hearts from breaking
Every time two fools collide
