

# Have a Little Faith in Me

Kenny Rogers

Have a little faith in me  
Have a little faith in me  
Have a little faith in me  
Have a little faith in me

When the road gets dark  
You can no longer see  
Let my love throw a spark, girl  
Have a little faith in me

When the tears that you cry  
Are all you can believe  
I will reach out with these loving arms  
If you have a little faith in me

Have a little faith in me  
Have a little faith in me  
Have a little faith in me  
Have a little faith in me

When your secret heart  
Cannot speak so easily  
I will help you with a whisper start  
If you have a little faith in me

When your back's against the wall, wall, wall, wall  
Look around, you will see  
I will catch you, I will catch you when you fall  
If you have a little faith in me

Have a little faith in me  
Have a little faith in me  
Have a little faith in me  
Have a little faith in me

Have a little faith in me, girl, oh  
Have a little faith in me  
Have a little faith in me  
Have a little faith, have a little faith in me

Have a little faith in me, girl  
Have a little faith in me  
Have a little faith in me, girl  
Have a little love, have a little faith in me  
Have a little faith in me
