

He Showed Me Love

Kenny Rogers

He showed me love
When all the hope I had was gone
He showed me love
And gave me strength to carry on

I just put my faith in Jesus
And let Him take my hand
I know He's gonna lead me to the promised land
He showed me love
And He'll do the same for you

He showed me love
Here in my heart, I never felt before
He showed me love
Enough to give and never hunger for

I was always lost and searchin'
Running anywhere I could
Chasing every rainbow 'til I understood
He showed me love
And He'll do the same for you

Jesus said he would
He showed me love
And He'll do the same for you
If you ask Him to
He showed me love
And He'll do the same for you
