I Can't Unlove You

Kenny Rogers

Postcards and letters And pictures made to last forever To be boxed up and tossed away Knickknacks and souvenirs In an afternoon, they're out of here They'll disappear without a trace But what they mean to me Can never be replaced

I can't unthink about you I can't unfeel your touch I can't unhear all the words Unsay all the things That used to mean so much I wish I could unremember Everything my heart's been through And finding out it's impossible to do Oh, it's no use I can't unlove you

Interstates and old songs Like time they go on and on I guess I could learn to do the same I could wake up without you These two arms not around you Tell myself it's meant to be this way No matter how I try somethings I can't change

I can't unthink about you I can't unfeel your touch I can't unhear all the words Unsay all the things That used to mean so much I wish I could unremember Everything my heart's been through And finding out it's impossible to do Oh, no Oh, it's no use I can't unlove you

I wish I could unremember Everything my heart's been through And finding out it's impossible to do Oh, oh, it's no use I can't unlove you
