I'll Take Care Of You

Kenny Rogers

Times are hard and rents are high What can the working girl do? But struggle through another day Then I' $\square\square$ 11 take care of you.

Nights are long and dreams are cold If they' \(\text{\pi}\) re all you wake up to But sure you rise with crying eyes I' \(\text{\pi}\) ll take care of you.

So let thoom talk about us
Let 'em call us funny things
People sometimes do
I don'oot care as long
As you know I love you
You know I do.

I'll be there but you might not see me It'DDs not easy to get through But when the laughter dies, I'Dll wake I'DDll take care of you Darling, I'DDll take care of you.
