

It Had to be You

Kenny Rogers

It had to be you, it had to be you
I wandered around and finally found
Somebody who could made me be true
Could make me be blue and even be glad
Just to be sad thinking of you

So lovers I've seen might never be me
Might never be cross or try to be boss
But they wouldn't do

Oh, nobody else gave me a thrill
With all your faults, I love you still
It had to be you, wonderful you
It had to be you

Some of this I've seen might never be me
Might never be cross or try to be boss
But they wouldn't do

Oh, nobody else gave me a thrill
With all your faults, I love you still
It had to be you, wonderful you
It had to be you, sweet you
