

# Shine On Ruby Mountain

Kenny Rogers

Shine on Ruby mountain  
From the valley to the sea  
Shine on Ruby mountain  
Shine your sweet love down on me

Ruby mountain has a sunset when my baby comes around  
I believe we've got a love mess anywhere we walk around

I said, shine on Ruby mountain  
From the valley to the sea  
Shine on Ruby mountain  
Shine your sweet love down on me

Ruby mountain grow no flowers  
You don't even keep the snow  
But we lay and watch for hours  
While we are watching our love grow

I said, shine on Ruby mountain  
From the valley to the sea  
Shine on Ruby mountain  
Shine your sweet love down on me

Ma, ma, ma, ma, ma, ma, ma  
Morning dew will shine on you, shine on you  
Shine on me

Ruby mountain lie there sleeping  
While we greet the lazy dawn  
Tell nobody about our secret  
Till our baby child is born

I said, shine on Ruby mountain  
From the valley to the sea  
Shine on Ruby mountain  
Shine your sweet love down on me

Down on me, down on me

Shine on Ruby mountain  
From the valley to the sea  
Shine on Ruby mountain  
Shine your sweet love down on me

Shine on Ruby mountain  
From the valley to the sea  
Shine on Ruby mountain  
Shine your sweet love down on me
