

# Tell It All Brother

Kenny Rogers

Tell it all brother, before we fall  
Tell it all brothers and sisters  
Tell it all

How much you're holding back on me  
When you say you're giving all?  
And in the dungeons of your mind  
Who you got chained to the wall?

Tell it all brother, before we fall  
Tell it all brothers and sisters  
Tell it ah-ah-aal

Did you plant your feet on higher ground  
To avoid life's mud and stone?  
Did you ever kick a good man  
When he was down, just to make yourself feel strong?

Tell it all brother, before we fall  
Tell it all brothers and sisters  
Tell it ah-ah-aal

Tomorrow just might be too late  
Now is the time  
To get your jumbled mind straight  
And seek a new design

Did you ever walk for a crippled man  
Pretending you were lame?  
And what made you think one feeble hand to God  
Was gonna make him call your name?

Tell it all brother and sisters  
Tell, Tell it all  
Tell it all brother, before we fall  
Tell it all brothers and sisters, tell  
Tell it all brother, before we fall  
Tell.. it.. all
