

How Low Can You Go

Kenny Wayne Shepherd

She took the house
She took the car
She threw my clothes
In the front yard
I should have known
When I saw her at the bar
I told her babe
You took it too far
How low, how low can you go?

How low can you go?
Man you're really special
You take cold blooded
To another level
Gotta hand it to ya
Man you're really something
Yeah you ran me down
And I never saw it coming
How low, how low can you go?

She took the house
She took the car
She threw my clothes
In the front yard
I should have known
When I saw her at the bar
I told her babe
That you took it too far
How low, how low can you go?

How low can you go?
Man you're really special
You take cold blooded
To another level
I gotta hand it to ya
Man you're really something
Yeah you ran me down
I never saw it coming
How low, how low can you go?
How low, how low can you go?
How low, how low can you go?
