I Found Love (When I Found You)

Kenny Wayne Shepherd

I found love when I found you
When I look in your eyes, I know it's true
My life was lonely, Yeah broken and blue
Then I found love, when I found you.

Oh Once in a lifetime, HEY that's how it feels
Theres Something so good (so damn good)
How can it be real
Oh when you touch me yeah
You touch me through and through yes you do
I know I found love, when I found you

Now Girl, you've got all of me
And I want you to know
Want you to know right now
That There's nothin' in this crazy ol' world
That would make me wanna let you go.
Oh Yeah

Yeah Once in a lifetime, and now that's how it feels
Yeah Something so good (so oh good)
How can it be real
Oh now girl when you touch me yeah
You touch me through and through yes you do
I know I found love, when I found you

I know i found love, when i found you
Yeah when i found you
Yeah when i found you
