

I Love The Life I Live

Kenny Wayne Shepherd

I see you watching me like a hawk
I don't mind the way you talk
But if you touch me something's got to give
I live the life I love and I love the life I live

So if you see me and think I'm wrong
Don't worry 'bout me just leave me alone
My sweet life ain't nothin' but a thrill
I live the life I love and I love the life I live

My diamond ring and my money too
Tomorrow night they could belong to you
The girls they move me at their will
I live the life I love and I love the life I live

I may bet a thousand on a bet this time
One minute later I can't cover your dime
Tomorrow night I may be over the hill
I just want you to know babe the way I feel

You see me walkin' as I pass you by
Don't talk about me 'cause I might be high
Just forgive me if you will
I live the life I love and I love the life I live
