

## I Love The Life I Live

Kenny Wayne Shepherd

I see you watching me like a hawk  
I don't mind the way you talk  
But if you touch me something's got to give  
I live the life I love and I love the life I live

So if you see me and think I'm wrong  
Don't worry 'bout me just leave me alone  
My sweet life ain't nothin' but a thrill  
I live the life I love and I love the life I live

My diamond ring and my money too  
Tomorrow night they could belong to you  
The girls they move me at their will  
I live the life I love and I love the life I live

I may bet a thousand on a bet this time  
One minute later I can't cover your dime  
Tomorrow night I may be over the hill  
I just want you to know babe the way I feel

You see me walkin' as I pass you by  
Don't talk about me 'cause I might be high  
Just forgive me if you will  
I live the life I love and I love the life I live
