

# Ride of Your Life

Kenny Wayne Shepherd

Runnin down the 101 got the sun on my back  
Didn't mean to do what I done gotta cover my tracks  
Pretty little honey that's along for the ride  
Ain't got a clue what I'm leaving behind  
What I'm leaving behind

Ooh baby  
We're gonna get a little wild and crazy  
We're talking top down pedal to the metal  
Better hold on tight  
You're in for the ride of your life

Trouble in blue in the rear view coming up fast  
Baby we as cool as that hula girl dancin on the dash  
Dirt road detour off the blacktop  
This 426 ain't never gonna stop  
It ain't never gonna stop

Ooh baby  
We're gonna get a little wild and crazy  
We're talking top down pedal to the metal  
Better hold on tight  
You're in for the ride of your life

Lawman waiting round the bend at the end of the road  
Spike strip shining in the sun only one way to go  
Ain't giving up gonna drop it in gear  
Gonna give em hell get the hell outta here  
Get the hell outta here

Ooh baby  
We're gonna get a little wild and crazy  
We're talking top down pedal to the metal  
Better hold on tight  
You're in for the ride of your life

Yeah  
Ride of your life

Yeah  
You're in for the ride of your life

Yeah  
You're in for the ride of your life

Yeah
