

# You Done Lost Your Good Thing Now

Kenny Wayne Shepherd

Oh baby, baby you done lost your good thing now  
Oh baby, baby you done lost your good thing now  
You know the way that I used to love you  
That's the way that I hate you now

She used to tell me that she loved me  
And she would do anything I say  
She used to tell me that she loved me  
And she would do anything I say  
But you know the way that she treats me now  
I do believe I'd be better off dead anyway

Oh baby, baby you done lost your good thing now  
Oh baby, baby you done lost your good thing now  
You know the way that I used to love you  
That's the way that I hate you now
