

You So Fine

Kenny Wayne Shepherd

You so fine, yes, you so fine
You so fine, baby girl, you so fine
You little fine, healthy thing, sure do wish you were mine

Every time I see you in your skin-tight britches
My imagination runs wild, I wanna do something with you
You so fine, yes, you so fine
You so fine, pretty baby, I wanna make you mine

Sweet personality, a smile so bright
You can make a man do wrong when he wanna do right
You so fine, yes, you so fine
You so fine, fine, fine, fine, I wanna make you mine

Well I like the way you talk, I like the way you walk
You got a sex appeal make a chicken squawk
Hey baby, tell you, you so fine
You so fine, fine, fine, fine, girl, I wanna make you mine

You so fine, you so fine
Hey, hey, hey, you so fine
I tell you, you so fine
You little fine, pretty thing, girl, I wanna make you mine
