(You can ask BiggCuz)

Yeah

Bitch

Ken the motherfuckin' Man, ho

This year for Christmas, I don't want much, I just want head and apologies

I don't want no nigga telling me nothing, you got to show me you proud of me

It ain't one bitch that can say they can do what I do, how I do, when they topping me

'Cause even your favorite rapper's favorite rapper should go and hit the follow, they watching me

I can't keep your baby daddy out my mix

He say he crazy 'bout me, get his meds

He fell in love, I'm trying to see how long its gon' take me to bust off the head

I don't give a fuck, I use a nigga up and then leave him like he on read

I really will go ghost, have a nigga really talking to the dead

He think I'm cute, he think I'm sexy

I want to break him, he going to let me

I got a attitude, who going to check me?

I know I ain't shit but they accept me

I'm getting rich, I'm getting wealthy

I ain't them other bitches, you gon' respect me

He gon' invest in it, he want to help me

Give me the big bills, don't disrespect me

Ay, I'ma talk my shit

Anything you seeing, I bought that shit

Cars, clothes, all that shit

Leased out but you park that bitch

Any beat I'm on, I'ma chop that bitch

Your ho, I'ma top that bitch

Bankroll Freddie couldn't drip like this

Said, mob boss, make it flip like this

If you bitches sending shots, why I still ain't seeing double?

They was cap on the gram, when I seen 'em, they was subtle

I-I-I've been getting money so I threw it in a circle

I've been popping in the South, any day, I'm going global

N-n-niggas holding me, they want some control of me

They ain't coming with me, but these niggas want to go with me

I ain't just anybody, motherfuckers know it's me

He fuck with some bitches but can't find nobody cold as me

Ay, bitches making up stories, I'm getting sucked up on a beach

Heard y'all doing it for the 'Gram but really be fucked up in the streets

Hey, they know I'm a big boss but my name Ken, not Kelis

Ay, name sitting in rooms I'll never go, I'll never be

Bitches be bored

Ha, pathetic, lazy, tired, hating

Fuck wrong with these hoes?
Cuz, fuck wrong with these hoes?
