

Keep Going

KenTheMan

Ooh, I know you want it
All from the night, until the early morning, ooh
And yo hoe boring, she don't do tricks like me, boo, snorin'
Stay ridin' in a foreign, this pussy expensive, she like explor
in'
Aye, she like flights to islands, diamonds, my type of 304'n

Ooh you nasty, give me head, you ain't even gotta ask me
Ever since school been a bad B, been had hoes real mad, heated
Uh, keep going, I don't want him, I want that coin
First we started from the front, now he want it from the back
Cause he want to see how I throw it

Keep going, keep going, keep going
He like (Girl, I'ma break your back, break your back, back)
Turn around like, uh, talking to me like
Girl I'ma break your back, cause that ass real fat
And he told me look back cause he like to see my face
When he hit from the back, back
Girl, I'ma break your back, break your back, back
Girl, I'ma break your back, break your back, back

Aye, got that leak, lay a towel down I'll mess up the sheets
Eating my pussy that's his out to eat
Gotta get mine first, only way he can beat, beat ooh
See how it came in, aye, I want my nut in the Caymans
Aye, keep him on rock like a caveman
He seen me out once now he stay in
Aye, pussy game proper, keep me in Prada you know I'm pricey
Stay in designer, you can't afford me, why is you talk'in
This is a Bentley, you niggas Mazda

Keep going, keep going, keep going
He like (Girl, I'ma break your back, break your back, back)
Turn around like, uh, (Girl, I'ma break your back, break your b
ack, back)
Talkin' to me like, Girl I'ma break your back, cause that ass r
eal fat
And he told me look back cause he love to see my face
When he hit from the back (back, back, back)
