

Look don't nobody show you love you gotta love yourself  
Did it by myself cuz I ain't need the help  
They just wanna lock me down and put me on the shelf  
I been through some hard shit you gotta break my shell  
All these rumors they ain't even got the info  
How the same bitches coming for me I ain't send fo  
Ain't no bitch like me if you say that that's a Insult  
People that been down since day 1 is who I bend for  
The fam good the kid good his daddy wanna stress me out  
I just wanna sell why everybody wanna sell me  
Out  
I been doing music just been praying it don't let me down  
Ain't no extra space if you ain't down for real just tell me now  
I'm damaged life did it but it taught me shit  
Never trust a nigga trust a officer or trust a bitch  
I been getting money that ain't change me still a touch a bitch  
I'm out in la catching a vibe I'm going through some shit  
Ay ain't no co sign  
Ain't no nigga start showing love to me  
They was there when I popped but was missing when it was ugly  
They don't think that I noticed cuz now they act like they fuck with  
me  
To some niggas it's business and others thinking bout fucking me  
Ay ay I'm cool on all that Hollywood talking  
My nigga who is you  
How you telling people about me like been cool with you  
I ain't seen you out where I be at ain't go to school with you  
When you don't give niggas attention they lie like cheaters do  
I come from a place you don't make it unless you leaving there  
I just only fuck with my city because my people there  
I ain't have it easy so why the fuck would I play It fair  
And you ain't never catching me clubbing unless they paying there  
I'm outside but it's fuck the outside  
I'm a acres home bitch but baby I'm so Southside  
I'm up through the late night still up when the sun shine  
I been letting bitches make it told my team it's us time  
Look I gotta get it this shit up to me you ain't never been broke  
So you what you know bout hustling you just see me smiling  
You don't know that shit that trouble me  
You just see that pussy talking Ken that got me bubbling  
Don't nobody show you love you gotta love yourself  
Did it by myself cuz I ain't need the help  
They just wanna lock me down put me on the shelf  
I been through some hard shit you gotta break my shell
