

Make It Shake

KenTheMan

(You can ask Bigg Cuz)
Cuz, the fuck wrong with these hoes?
These bitches couldn't see me with the best seats in the motherfuckin' house
These bitches act like I ain't me, like what?

I don't got too many friends
Bitches is weird, I don't fuck with they energy
They thinkin' I'm arrogant
'Cause I'm out they reach and they can't get a hold of me
Murder scene, murder scene
Killin' these bitches, I hope they don't sentence me
Been runnin' this money up
Sittin' back, watchin' it double like Jeopardy
Bitches be upset
Quotin' my tweets to take out of context
I stay in my own lane
Why do these bitches still make it a contest?
I ain't even on that
I'm just gettin' started, I ain't even done yet
What you doin', I done that
And that nigga you chase on my line like, "I want that"
If we bein' honest
I don't want a man, I just want his pockets
The money is straight
So it ain't never gon' come out the closet
I want it, I cop it
I know he always gon' cover the ticket
First class mami
You and your team is givin' me Spirit

I'm on go
And I ain't got no brakes
Just got paid
I wanna make somethin' shake
Look at that body
Cute just like my face
Look back at it
I'm gon' make somethin' shake
I'ma make it shake (Got that ass), I'ma make it shake
Yeah, I'm from the H (Ain't got no man), can't you see the shape?
Always in the mirror (They just wanna pop it), That's why I be late
'Cause I'ma watch it shake (Pop), I'ma watch it shake

My best friend always gas me, she say that my ass bigger
Yes, I like the street type, my pussy love a drug dealer
It's two things I don't like, a pussy or a fuck nigga
One thing all my bitches got in common is them old niggas
Back of the 'Bach, off a tequila, I'm makin' it clap
He tryna see what that pussy'll do
When it get full of 1942
Been a P since 1994
Knew it since the day that I was born
Only say I miss him when I'm bored
Slut him out and treat him like a whore
I'm a bitch 25/8
Wear it all over my face
I could show you how to get paid

But first I gotta send you my rates
Lookin' for a real wet mouth
Tell him that the pussy said hey
If he don't talk like August
I'ma throw that pussy like Shay (I ain't doin' no Red Table Talk)

I'm on go
And I ain't got no brakes
Just got paid
I wanna make somethin' shake
Look at that body
Cute just like my face (Baow, baow)
Look back at it
I'm gon' make somethin' shake
I'ma make it shake, I'ma make it shake
Yeah, I'm from the H, can't you see the shape?
Always in the mirror (Always in the mirror), that's why I be late
'Cause I'ma watch it shake (Hah), I'ma watch it shake

Watch it, watch it, watch it, watch it (I'm gon' make somethin' shake)
I'm gon' watch that shake (Watch it)
I want that head, that knowledge
Want that head, that college
I'm gon' make somethin' shake
I'ma make it shake
Damn, I wish it was done
