Missed text missed calls where the fuck you at  
I like to make a nigga wonder I don't hit him back  
I keep all my niggas on the low low  
Ain't gone never see me with nobody I be solo  
Throw a nigga out he come back like a yoyo  
Fake pages lying still gone give a nigga promo  
Clown hoe bozo  
All I see is these hoes tryna be just like me  
Don't do shit but B.O.P they can't stay off my IG  
They'd be lying if they said I ain't that  
If they say I ain't hard they ain't saying no facts  
I do everything I be saying on wax  
And a still a slap hoe if anybody on that  
Real bitch no bap

As much hoes copying they better go gold
