

Secret

KenTheMan

Yeah, mhm
(Fr33, when you comin' home?)
You know I'm nasty
Look

I can be your secret, be your slut
We be fucking then I never stay in touch
I like us the way we is, it ain't no rush
Fuck with me tough but we still keep it on the hush, ooh

I meet him in the club
He asked me where I'm from, I threw it up
Bae, I been single, I can't settle for no scrub
Really I been on my shit, these niggas just ain't keeping up
Ay, I get my hair long, I like it pulled
He know if he fuck it up, he pay that shit in full
I'm fucking up his head but he be tryna play it cool
Asked him what his favorite color, he say when you in the nude, views
Face card crazy, he be like "girl, with yo pretty ass"
I ain't gone lie, I got him trippin' and he ain't used to that
In his feelings, I went from "baby" to "with yo stupid ass"
He so cute when he mad, told him stop talking like that

I can be your secret, be your slut
We be fucking then I never stay in touch
I like us the way we is, it ain't no rush
Fuck with me tough but we still keep it on the hush

It feel like we in love
But it just be for the moment, then we nut
We just going through the motions, it be fun
I got choices, I can't pick which one I want
Ay, I like 'em tall, dark skin, tatted up, and answer every call
Treat me like a bad bitch and fuck me like a dog
Yeah, I'm pressure, not a big texter
If he had a bitch, I bet you, I can make him ex her
I can't be his bitch, he know what's up
But it's a vibe when we be drunk and we link up
In the bed, all on the couch, all on the floor
I'm a Gemini baby, he ain't never gone get bored

I can be your secret, be your slut
We be fucking then I never stay in touch
I like us the way we is, it ain't no rush
Fuck with me tough but we still keep it on the hush

Ay, we keep it on the hush (keep it on the hush)
I know that when you leave me, it be tough (It be tough)
Ay, he can't get enough (he can't get enough)
He told me I'm so cute don't make me blush
