

## Yo Face

KenTheMan

(Will, what this is?)

Ayy

Ken in this motherfucker

(Haha, Avo)

Okay, they call Mrs. Money 'cause I'm married to the bag  
I just bought the Galleria, sorry, I don't mean to brag  
Ayy, I'm feelin' like the block, they always tryna buy me back  
Bitches always tryna talk about me, never got the facts  
Since you tellin', tell 'em that, got six figures in a stash  
Got your baby daddy pressed, I just juiced him out some cash  
I be doin' what I want, I don't care if niggas mad  
YSL got pretty bags, nigga, you ain't gotta ask  
Yeah, my pussy hella raw, not surprised he got addicted  
I got hoes and I got bitches, I'm the ocean, they my fishes  
Way I'm killin' these bitches, they start callin' me sadistic  
Bitches sayin' they the one, told 'em, "Be more realistic" (Bitch, be for real)

Ayy, I really want your face in this shit (Face in this shit)  
I don't really want you gettin' up for breaks in this bitch (Breaks in this bitch)

Ayy, this pussy got a million dollar place when it sit (Ha, ha, ha)

And it ain't my birthday, but it's cake in this bitch (Cake in this bitch)

If he eat it from the back, then he better not repeat it  
Say the pussy like his air, he can't breathe, he say he need it  
Ayy, and just like an affair, he my dirty little secret  
If he post me, then it's Al, please do not believe it  
I'm a million dollar whore, not the ones that fuck for crumbs  
If we fucking know it's somewhere out the states and in the sun  
And I'm rich, I be playin' golddigger just for fun  
I keep tellin' y'all the motto, "Fuck a nigga, get the funds"  
Say I'm mean when I'm sober, gotta catch me when I'm drunk  
Ayy, he sent a heart emoji, so I hit him with the tongue  
And I love a dread head, had to put it in a bun  
I can't chance it with the nigga, he keep sayin' he want a son  
(So I told him)

Ayy, I really want your face in this shit (Face in this shit)  
I don't really want you gettin' up for breaks in this bitch (Breaks in this bitch)

Ayy, this pussy got a million dollar place when it sit (Ha, ha, ha)

And it ain't my birthday, but it's cake in this bitch (Cake in this bitch)
