

It's Not Fair

Kenya Grace

One, two, three

All the nights in summertime
I was yours, and you were mine
We were young, I was dumb
Now you're happy and you moved on

In my head, I can't forget
All the stupid shit you said
And it's not fair, you don't care
But I see you everywhere
Oh, it's not fair

You're polite to friends of mine
You were always the one they liked
I called them up when we were done
I swear they took it as hard as us
And my mom said she saw you
Stood with somebody new
She said, "What went wrong with you two?"
Well, I wish I knew

In my head, I can't forget
All the stupid shit you said
And it's not fair, you don't care
But I see you everywhere
In my head, I can't forget
All the words you never meant
And it's not fair, you don't care
But I see you everywhere
Oh, it's not fair
It's not fair
It's not fair
It's not fair

So tell me
Truly
Do you think about me?
Or you're happy with some other girl?
Tell me
Baby
Don't you kind of miss me?
Well, I hope you picture me when you're with
Her

In my head, I can't forget
All the stupid shit you said
And it's not fair, you don't care
But I see you everywhere
Oh, it's not fair
It's not fair
It's not fair

In my head, I can't forget
All the stupid shit you said
And it's not fair, you don't care
But I see you everywhere

Oh, it's not fair
It's not fair
It's not fair

It's not fair
