

Obsessed

Kenya Grace

I guess I'm in the water, 'cause I can't seem to hear ya
My feet can't touch the ground and
Everything you say is drowned out, well I
I guess I'm in deep water, I'm graspin' [?], I'm drownin' at th
e edge never hearing what we said

But I been thinkin' 'bout us all night, all night
I'm intoxicated, I'm obsessed
But I been thinkin' 'bout us all night, (night) all nigh
I'm intoxicated, I'm obsessed
I'm intoxicated, I'm obsessed, I'm intoxicated, I'm obsessed

Fallin' over backwards
Just tryna to say the right words to get you out my mind
I know it's all a waste of time
Well, you got me round in circles, a feelin' so uncertain
But I don't wanna know how you got me so

But I been thinkin' 'bout us all night, all night
I'm intoxicated, I'm obsessed
But I been thinkin' 'bout us all night, all night
I'm intoxicated, I'm obsessed

Can't get you out my head, baby I'm done, ooh
Can't get you out my head, baby I'm done, ooh

But I been thinkin' 'bout us all night, all night
I'm intoxicated, I'm obsessed
But I been thinkin' 'bout us all night, all night
I'm intoxicated, I'm obsessed

All night, intoxicated, all night, all night
Us all night, all nigh
I'm intoxicated, I'm obsessed
I'm intoxicated, I'm obsessed, I
I'm intoxicated, I'm obsessed, I
