

Hide and seek
Do you wanna light me up
Whisper me
The siren goes all around

I'm an iconic twist
Japil deusi Hide and seek
Room number 1-0-1
I'm breaking through this telescreen

I'll make 'em sue me, sue me again
Ttaragalge neonjisi
You foolish, gon' lose to me
Pop the lies and take me away

A little closer come here don't be shy
Nae soneul japgo Just dive
So get up in silence
Byeolbichi beonjin saie
Let's fly away
Searching for
Electric sync-love

Matrix mode ON my body in glitter
Ikkeullin Dessert hanip beeo mulmyeon Bitter
Sweet, but it's fine neon mannage doelgeol Thriller
Save your breath baby beokchaneun ne mameun Flicker (Flicker)

I don't wanna play this stupid love game
I don't wanna make another mistake
Choose! Yes or domanggaja neon eottae
Choose! Yes or there's the plastic destiny

Take it back gieok soge jamgin Take 1
I'm getting drowned fade to black
It goes on and on
Mugamgakae Lots of gossip
Pureohechyeo maeideon geot
Naega neojana
I might dream some more

I got that twenty, twenty, twenty, twenty, twenty visions
Seonmyeonghi Pop, pop dudeureojin Exhibitions
It's a flip flop big chance, never miss it
Get a pink blush, lip glows yeah I'm 'bout to chasin'
Better waste that
They are showing
Jeonbu da Fake manggajin Puppet
Dugeungeorim naegen aireoni
Made a mistake, I wanna move it (Oops)

A little closer come here don't be shy (Don't be shy)
