## Listen

I do, I do  
Tomorrow and today  
Don't waste it (Na-na-na-na)  
Don't waste it (Always)  
I'm good, I'm good  
Cast a spell  
Cooler (Na-na-na-na)  
Cooler

In the coolest color, pick it  
Yellow and blue fantastic  
Ringing, popping, oh, can we pop in  
About to take off, you ready?  
It's thrilling eyes are shut tight  
Come on and open your eyes

What do you see? What do you see?  
Now is the time (Now is the time)  
Here we go

We go  
My imaginary island  
Follow, follow and line up  
If you're ready, up, up, up, up, up  
We go  
Rainbow in the clouds  
Follow, follow and open the closed door  
We go up, up, up, up, up

Ooh, got ya, to the dream island  
Ooh, found it, a blinking sign  
Ooh, Kep1 up, up, up, up, up  
Waving at us, sign

(Wait)  
Through the wind blasting  
Fleeting moment, don't worry  
Ringing, popping, oh, can we pop in  
Deeper 'til the very end  
We won't dodge we speed up  
We've come a long way, we're almost there  
Nothing to be scared of  
Now is the beginning

Kep1 moving  
Pit-a-pat, my heart is racing  
Into the imagination, bungee  
Once again move it  
Drumroll, can you hear this sound?  
Here we go

We go  
My imaginary island  
Follow, follow and line up  
If you're ready, up, up, up, up, up  
We go  
Rainbow in the clouds  
Follow, follow and open the closed door  
We go up, up, up, up, up
