Keren Ann

Darling
I will remember, darling
I've been
Mellow and tender
I've seen water
By the cathedral
Under the maple
It was in April
You wore a raincoat
By the cathedral
I wasn't able, I was unable
Someday
You will forgive me darling
Someday
You will believe that I've seen thunder
By the cathedral
Under the maple
It's was in April
You wore a raincoat
By the cathedral
I wasn't able, I was unable
