

Roses & Hips

Keren Ann

Roses and hips
Along the sidewalk
Fool's got eyes
And I don't

Land slides and grips
Onto a side rock
Fool's got eyes
And I don't

So take me slowly
By the hand
And show me through
Forever land

Roses and hips
Along the sidewalk
Fool's got eyes
And I don't

So take me slowly
By the hand
And show me through
Forever land
