

Bahm Bahm (Do It Once Again)

Keri Hilson

Wassup, yo? Heard them all now
I'm singing for the biggest jewel... boys and girls
Sex... right now... sing
Know I was at...

I run, I jump, I fly
Oh me, oh you, oh we, oh my
Your love, it takes me high
So real, so true, I can't lie

Oh boy you got me going crazy (bahm bahm)
I think I want to have your babies (bahm bahm)

Can't eat, can't sleep, can't breathe
When you come around me, me get weak in the knees (bahm)
Boy stay, oh please don't leave,
I need you by my side and I'm begging you please (bahm)

I think your loving is amazing (Bahm bahm)
Oh boy your touch, you're really blazing

When you grind up on me
Love up on me, touch up on me
Do it once again
Grind up on me, love up on me, touch up on me
Do it once again

(Bahm)
I win your heart, I tried to do everything you want,
do everything you like (bahm)
I need you to get mine
If I can't have you, I think I'm gonna cry
You never gave me, not one warning (bahm bahm)
Now boy your loving is a problem

(Call the police)
Call 911, I'm hooked, I'm shook
I've fallen I can't get up (bahm)
Your lips, your body
Your touch
I need a trans-or
Can't get enough
You're too much for me and I can't take it
Oh boy you got my body shaking

When you grind up on me
Love up on me, touch up on me
Do it once again
Grind up on me, love up on me, touch up on me
Do it once again

I said you're the one I want
I don't want another one
Baby, baby you're sexy
Come undress me, oh boy cause you turn me on
I said you're the one I want
I don't want another one

Baby, baby you're sexy
Come undress me, oh boy cause you turn me on

When you grind up on me
Love up on me, touch up on me
Do it once again
Grind up on me, love up on me, touch up on me
Do it once again

Grind up on me, love up on me, touch up on me
Do it once again
Grind up on me, love up on me, touch up on me
Do it once again

Tell me pretty baby if you wanna make love tonight
Tell me baby baby if you wanna make love tonight
Tell me baby baby if you wanna make love tonight
Tell me baby baby if you wanna make love tonight
Tell me baby baby if you wanna make love tonight
Tell me baby baby if you wanna make love tonight
I want you, you
I'm telling you, but never, you
And damn it, boy I want you
I'm telling you , you never doubt, you never know
I want you
