

Whatever

Keri Hilson

Good morning

I've been watching you a few minutes while you sleep
Thinking 'bout kissing your body any place
Crazy look on your face when breakfast on the plate
Orange juice or lemonade? I'm your maid

I'ma show you what I'm made of
I'ma show you all I can do, oh
I'm your Superwoman, nothing is impossible for me, yeah
And you know that I'll be here

I'm whatever you need (Whatever you need, whatever you need)
I'll do anything for you (Anything)
I'll do everything other girls won't do (Everything)
Please let me show you
I got things that I wanna do just for you
I'm whatever you need (Whatever you need, whatever you need)
Oh, you got my heart, babe
I'll be more than your fantasy (Fantasy)
I'll fulfill your wildest dreams, yeah (Wildest dreams, yeah)
All that you want of me (Want of me)
For you, I make it be

Any time's the right time for you
All you gotta do is say the word (Say the word)
And I'll come running
If something's on your mind
Baby, it's nothing
If they came and locked me up and threw away the key
Baby, I'll still
I'll still find my way to you (And if I)
And if I couldn't see (See), I'd still have a vision
Of what we could be
Boy, you and me

I'ma show you what I'm made of
I'ma show you all I can do, oh
I'm your Superwoman, nothing is impossible for me, yeah
And you know that I'll be here

I'm whatever you need (Whatever you need, whatever you need)
I'll do anything for you (Anything)
I'll do everything other girls won't do (Everything)
Please let me show you
I got things that I wanna do just for you
I'm whatever you need (Whatever you need, whatever you need)
Oh, you got my heart, babe
I'll be more than your fantasy (Fantasy)
I'll fulfill your wildest dreams, yeah (Wildest dreams, yeah)
All that you want of me (Want of me)
For you, I make it be

I'm whatever you need (Whatever you need, whatever you need)
I'll do anything for you (Anything)
I'll do everything other girls won't do (Everything)
