

Take Me On!

Kerion

In the world of fantasy
What doesn't shines eternally
We will fly high to be free
Over the land

Bounty hunters in his eyes
Bounty strike Cloudriders
We will fight them one by one
To free your town

You're before it all
We'll break the wall
And you will fall
Once and for all!

Warriors into oblivion
We rise up across the kingdom
Enter not transform pre dawn
Until the end

Soldiers and their purpose
Sailors and their big talk
Who will change the course of man?
That's what the battle is for

You're before it all
We'll break the wall
And you will fall
Once and for all!

Take me on! Take me on!
Through the wave of the ocean
Take me on!
Far away
Take me on! Take me on!
Through the dark and turbid night
Take me on!
Far away from land
Far away from land

Warriors into oblivion
We rise through capture the kingdom
Enter not transform pre dawn
Until the end

Soldiers and their purpose
Sailors and their big talk
Who will change the course of man?
That's what the battle is for

You're before it all
We'll break the wall
And you will fall
Once and for all!

Take me on! Take me on!
Through the wave of the ocean

Take me on!
Far away
Take me on! Take me on!
Through the dark and turbid night
Take me on!
Far away from land
Far away from land

Take me on! Take me on!
Through the wave of the ocean
Take me on!
Far away
Take me on! Take me on!
Through the dark and turbid night
Take me on!
Far away from land
Far away from land

The rebellion is more powerful than ever!
Trust me, my friends!
It's time to rise!
