Walking On Air

There's a little creepy house In a little creepy place Little creepy town In a little creepy world Little creepy girl With her little creepy face Saying funny things that u have never heard Do you know what it's all about Are you brave enough to figure out Know that you could set your world on fire If you are strong enough to leave your doubts Feel it Breathe it Believe it And you'll be walking on air Go try Go fly So high And you'll be walking on air You feel this unless you kill this Go on And you're forgiven I knew that I could feel that I feel like I am walking on air She has a little creepy cat And a little creepy bat Little rocking chair and an old blue hat That little creepy girl Oh she loves to sing She has a little gift An amazing thing With her little funny eyes of hazel With her little funny old blue hat She will go and set the world on fire No one ever thought she could do that Feel it Breathe it Believe it And you'll be walking on air Go try Go fly So high And you'll be walking on air You feel this unless you kill this Go on And you're forgiven I knew that I could feel that I feel like

I am walking on air Flitter up and Hover down Be all around Be all around You know that I love you, go on Feel it Breathe it Believe it And you'll be walking on air Go try Go fly So high And you'll be walking on air You feel this unless you kill this Go on And you're forgiven I knew that I could feel that I feel like I am walking on air
