

Warrior

Kerli

When I aim, I will not miss
When I protect, nothing can touch this
I got shells in my bloodstream
Armed for hell, gods are on my side

I'm a survivor, fighter, flier
Superhider, I'm in the air
I'm a warrior
I'm a warrior, baby
I'm a survivor, fighter, flier
Superhider, I'm in the air
I'm a warrior
I'm a warrior, baby
I'm a survivor, fighter, flier
Superhider, I'm in the air
I'm a warrior
I'm a warrior, baby
I'm a survivor, fighter, flier
Superhider, I'm in the air
I'm a warrior
I'm a warrior, baby

When I pray, the sky parts
Blessed is my strike by the stars
I got shields under my skin
And the wins etched in my bones

I'm a survivor, fighter, flier
Superhider, I'm in the air
I'm a warrior
I'm a warrior, baby
I'm a survivor, fighter, flier
Superhider, I'm in the air
I'm a warrior
I'm a warrior, baby
I'm a survivor, fighter, flier
Superhider, I'm in the air
I'm a warrior
I'm a warrior, baby
I'm a survivor, fighter, flier
Superhider, I'm in the air
I'm a warrior
I'm a warrior, baby

I'm a warrior, baby
I'm a warrior, baby
